

“TAP into *Reality*” Mindset Vault

– SCROLL 10 –

Accurate Thinking

Accurate thought involves two fundamentals.
First, you must separate facts from mere information.
Second, you must separate facts into two classes –
the important and the unimportant.
Only by doing so can you think clearly and accurately.

Accurate thinkers permit no one to do their thinking for them. Gather information and listen to the opinions of others, but reserve for yourself the privilege of making decisions.

*Truth will be truth, regardless of a closed mind,
ignorance or the refusal to believe.*

Remember Dr. Buttar’s life changing formula:
First, you must **LIVE A Result**, before you can **GIVE A Result**
The TAP into Reality Vault will help you reach your desired destination.

Whatever the mind can conceive and believe, the mind can achieve. *Napoleon Hill*
